Cassell Companion To Theatre

by Cassell Ltd

Cassell Companion To Theatre includes some 3,500 articles arranged under one alphabet. It not only plays, but also directors, playwrights, actors, and critics. It is a comprehensive resource for anyone interested in theatre, from history to contemporary issues. The Companion is divided into five sections: European Culture, American Culture, Modernism, Twentieth Century Theatre, and World Theatre. It is an essential reference tool for students, scholars, and theatre professionals.
