Continuing the Revolution: The Political Thought of Mao

by John Bryan Starr

Continuing the Revolution: The Political Thought of Mao by John Bryan Starr. Princeton, N.J.: Princeton University Press, 1979. xv + 366. Physical description: 24 cm. ISBN 0-691-07505-3. Subjects: Mao Zedong - Political thought. Cultural Revolution. Though the cultural revolution is generally seen as a failed experiment, this book explores the political thought and ideas behind it. The book delves into the political theories and philosophical ideas that underpinned the Cultural Revolution and how they were put into practice. It examines the role of Mao Zedong and the Communist Party in shaping these ideas and how they influenced the political landscape of China. The book also provides a comprehensive analysis of the cultural revolution's impact on Chinese society and its lasting effects on the country's political and cultural development. Overall, this book offers valuable insights into the political thought of Mao and the Cultural Revolution, shedding light on the complex and often controversial events that took place during this time.
