Folk Legends of Japan
by Richard Mercer Dorson

Folk Legends of Japan by Richard M. Dorson - Goodreads

Folk Legends of Japan is an intriguing collection of Japanese myths and folklore. The stories, which are translated from the original Japanese, are rich in history and culture, offering readers a glimpse into the diverse and fascinating world of Japanese legends.

The book contains a variety of stories, including tales of transformations, journeys, and adventures. Some of the stories are aimed at children, while others are more complex and suitable for adults. The narratives are told in a straightforward manner, with a focus on character development and moral lessons.

One of the most popular stories in the collection is the tale of Urashima Taro, a fisherman who is drawn into an enchanted world and learns important lessons about love and devotion. Another story, Kuchisake-onna, tells of a dangerous ghost who haunts children with her face hidden behind a surgical mask.

The book is not just a collection of stories, but also a cultural snapshot of Japan. The stories are a reflection of the values and beliefs that have shaped Japanese society for centuries. Through these tales, readers can gain a deeper understanding of the country's rich history and traditions.

The Folk Legends of Japan is an excellent resource for anyone interested in learning more about Japanese folklore. It is a beautifully illustrated book, making it an engaging read for all ages. Whether you are a fan of Japanese culture or simply looking for a unique reading experience, this book is sure to captivate and inspire.

In conclusion, Folk Legends of Japan is a valuable addition to any bookshelf. It is a testament to the enduring power of storytelling and a reminder of the magic that can be found in the world of folklore. So, if you are looking for a captivating and informative read, be sure to check out Folk Legends of Japan.
