The House That Jack Built: This Is What Critics Are Saying Drama

The House That Jack Built review – Lars von Trier shocks Cannes. 

The House That Jack Built is a disturbing film that explores the mind of a serial killer. The film is directed by Lars von Trier and stars Uma Thurman and Matt Dillon. The House That Jack Built has been met with mixed reviews, with some critics praising the film's boldness and others criticizing its violence and gore.

The film tells the story of a serial killer named Jack, who commits gruesome murders and leaves behind a trail of blood andление. The film is shot in a dark and moody style, with the use of slow motion and close-up shots to exacerbate the horror of the violence depicted.

Critics have praised the film's boldness and willingness to tackle difficult subjects, but some have been disturbed by the film's graphic violence and the graphic portrayal of the killer's psyche. Some have also criticized the film's pacing and its length, which runs over three hours.

The House That Jack Built is a film that is not for everyone, but those who are willing to engage with its disturbing material will find it a compelling and thought-provoking piece of cinema.
