Unknown Soldiers: Reliving World War II in Europe

by Joseph E Garland

What are some incredible but unknown events that occurred during World War II in Europe? Soldiers contribute new material to our records of WWII and indeed the true nature of war itself. Unknown Soldiers: Reliving World War II in Europe by Joseph E. Garland is a book that presents World War II through the eyes of a close-knit infantry platoon—men who served together and relived their experiences.

The book provides a unique perspective on the war, as the soldiers who relive the experiences are not just any ordinary soldiers, but are veterans who have been through the same experiences as the soldiers in the story. The book is a memoir of a close-knit infantry platoon, and it provides a glimpse into the lives of the soldiers who fought in the war.

The soldiers who contributed to the book were part of the U.S. military, and they were stationed in Europe during World War II. They were part of the European Theater of Operations, and they were involved in many battles and campaigns, including the Normandy Landing, the Battle of the Bulge, and the liberation of Paris.

The book is a collection of personal experiences and stories of the soldiers who fought in the war. It provides a unique perspective on the war, as the soldiers who contributed to the book were part of the U.S. military, and they were stationed in Europe during World War II.
